# ABOUT US

## **Padideh Kavir Yazd Carpet Co.,**

was established in 1370 under the registration number 1167. This company has been equipped with the most advanced machinery in the world and benefits from collaborating with educated and experienced personnel. Such advantages have led the company in obtaining the ISO 9001 quality management standards in carpet production. These include the company's flagship products such as the twelve-colored silk carpets with density of 500 reeds and eight-colored ones with density of 1500 reeds. In addition, with the start of a new collection titled Bahar Carpet, the project managers of this company have been able to have a huge part in manufacturing and distributing the best innovative textiles and machine woven carpets both locally as well as internationally.

For more information on everlasting quality in rugs and tapestries, please visit our website at :
